1 Day Introduction to Immovable Asset Management Programme

Department of Facilities and Asset Management

INTRODUCTION

The Immovable Asset Management Programme provides participants with comprehensive knowledge and practical skills in immovable asset management. It encompasses critical areas, enhances overall management capabilities, and underscores the legal obligations pertinent to professionals across public, state-owned entities and private sector entities.

PROGRAMME OBJECTIVES

To introduce delegates to the foundational principles and legislative framework of immovable asset management (IAM), with a focus on asset data, lifecycle planning, risk, and performance management in the South African public sector context.

PROGRAMME OUTCOMES

By the end of this 1-day short learning programme, delegates will be able to:

- Describe the purpose and key definitions in immovable asset management (IAM);
- Identify the legal and regulatory framework that governs IAM in South Africa;
- Explain the importance of asset data and classification for effective asset management;
- Outline the stages of the asset lifecycle and their relevance to planning and operations;
- Understand the basic principles of risk-based asset management and performance evaluation.

PROGRAMME STRUCTURE AND CONTENT

- Introduction to Facilities Management
- Asset Data and Information
- Asset Lifecycle Accounting and Management
- Asset Risk Management
- Asset Performance Management

PROGRAMME FORMAT

The programme is presented on NQF5 (first year university) level. The duration is 1 day and it will be hosted in an interactive online class environment.

WHO SHOULD ATTEND?

The 1-Day Immovable Asset Management Programme is typically designed for a broad range of professionals who are involved in the lifecycle management of fixed assets, especially in organizations with significant immovable property portfolios. This includes both public and private sectors.

Core Target Audience includes:

- Fixed Asset Managers/Officers
- Financial Managers and Accountants
- Facilities Managers
- Maintenance Managers/Personnel
- Internal Auditors and Risk Managers
- Supply Chain and Procurement Officers
- Department Heads and Executives

CERTIFICATE REQUIREMENTS

Participants will receive a Certificate of Attendance based on the number of hours attended.

1 Day Introduction to Immovable Asset Management Programme

Department of Facilities and Asset Management

COURSE PRESENTERS

All presenters on the course are recognised leaders in their fields:

Lecturer: Mr Cliff Hocking

Cliff Hocking is a distinguished FM expert with over 50 years of experience across Africa. As Principal Consultant of Wilconox, he has developed strategies for Mercedes Benz SA and the SA Reserve Bank. As a former President of SAFMA, Cliff has held executive roles at TFMC and Drake & Scull. He holds National Diplomas in Business Administration and Organisation and Work Study, plus a UCT Executive Development qualification. His extensive background in delivering professional FM training ensures students gain deep practical insight into international best practices.

Programme Leader: Mr Karel Oberholzer

Karel Oberholzer is a property development specialist with over two decades of experience in banking and construction. Currently a director at Innovative Consolidated Group, he previously held senior roles at Bigen Group and Calgro M3, managing complex residential life cycles. His expertise includes 14 years at FNB, where he led advanced analytics. Academically, Karel holds an honours degree in Urban Geography and an MBA. This combination of analytical mastery and leadership in the built environment provides students with a commercially grounded perspective on property management.

REGISTRATION

- Registration covers attendance of all sessions, as well as all programme material.
- Closing date(s) for registration are one week prior to the start of the programme.
- Cancellations must be received one week before the start of the programme or the full programme fee will be charged.
